About Us

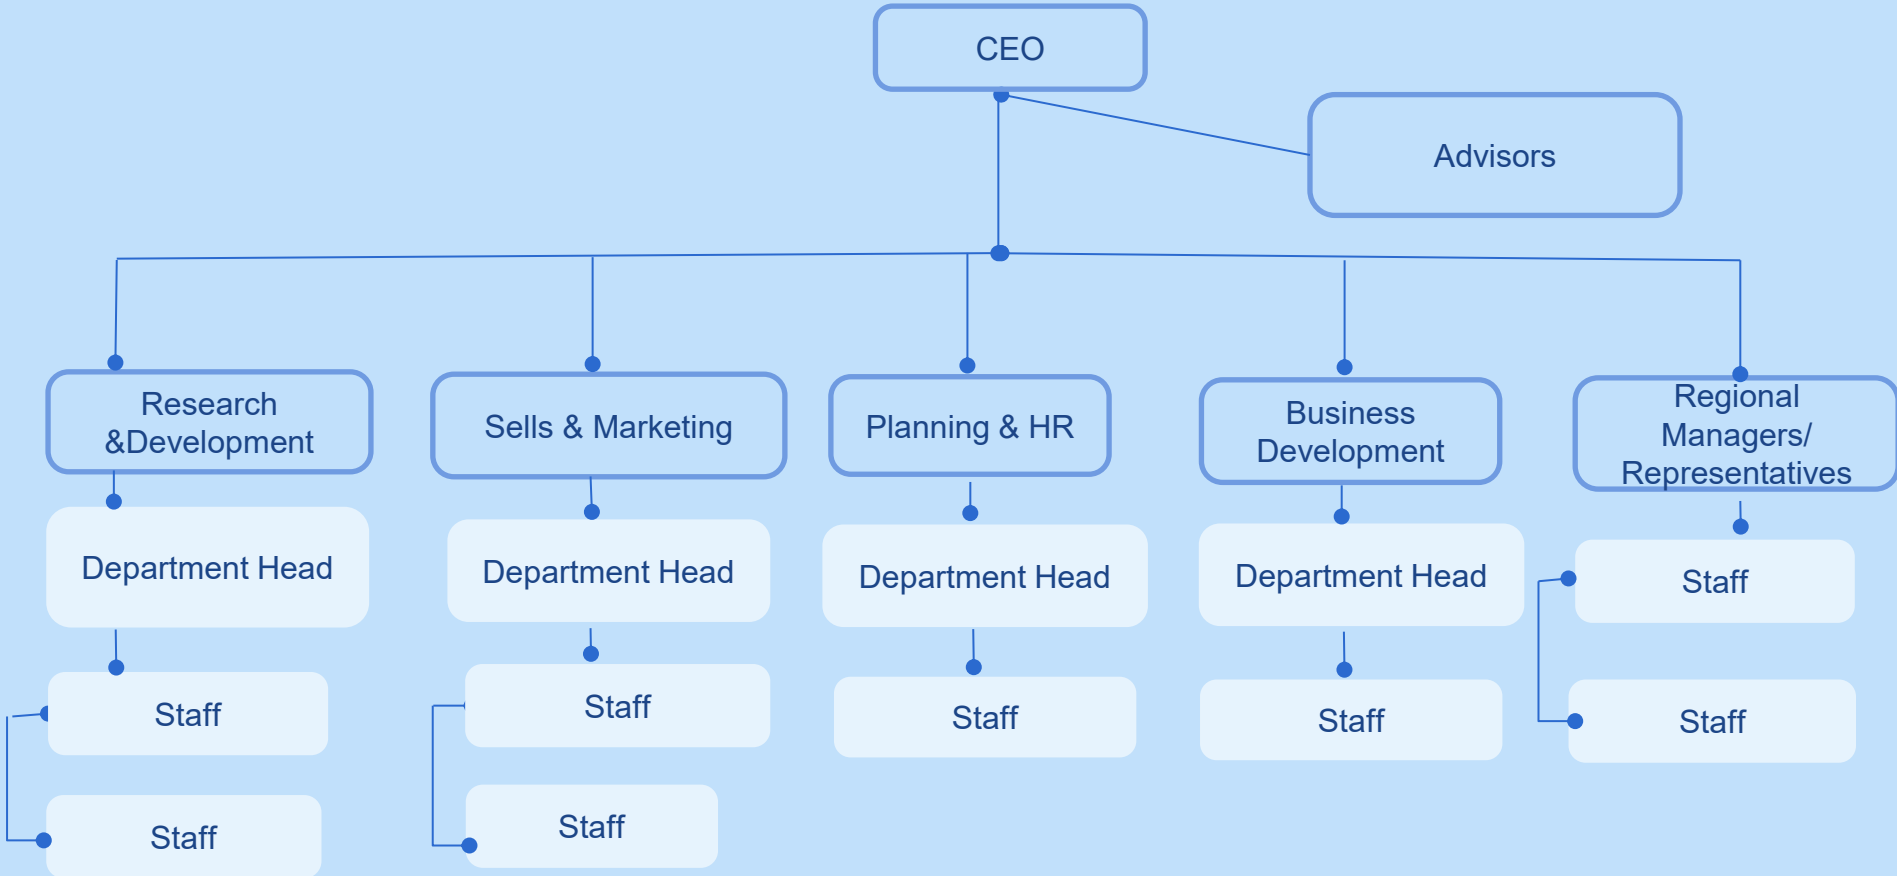

About Us

Avion Aerospace Group consist of experienced aerospace/aeronautical engineers, aircraft and drone designers and pilots to provide one stop aviation solution in various fields. Avion is a government licensed international engineering and consultation firm which was established in 2019. We provide solutions for aviation and space research activities, manufacturing, designing, engineering, architecture, aircraft and UAV supply, aero equipment and spare parts supply, provide trainings, and contract on building aircraft production line and run-ways.

ORGANIZATIONAL CHART

Our Leaders

Ruhul Amin Rana
CEO/Founder

Qualification: B.Eng Aircraft Manufacturing Engineering
Licensed UAS Pilot(7-116kg)
CAAC,AOPA, B737-800 Sim Certified, M.Eng- Mechanical & Automation(Pursuing)

MD. Imdadul Haque
Head of Research & Development

Qualification: B.Eng Aircraft Manufacturing Engineering
M.Eng – Mechanical (pursuing)

Mohammad Abdul Kader
Consultant

Qualification: B.Eng, M.Eng Aeronautical Engineering

Prof. Liu Chun
Advisor

Prof-Shenyang Aerospace University
Scientist and Researcher,
Cessna 162 aircraft assembly plant designer with 30+ years of experience

Mr. Ingabire Christian
Regional Manager, Africa

Qualification: B.Eng Aircraft Manufacturing Engineering, with aircraft design experience

Md Selim Sarker
Head of Sales and Marketing

Qualification: Aeronautical Engineering

Jerry Adrian
Head of Business development

Qualification: Privet Pilot License , B.Eng Aircraft Manufacturing Engineering, MIT, 8+ years of Aircraft production Experience

Nowrid Islam Atashi
Planning &HR

Qualification: B.Eng Aeronautical Engineering (Aircraft Design), M.Eng Mechanical.

Remo G. Nogueira A.
Representative

Qualification: B.S , M.S , PHD, Ex Military Pilot (Fixed wing), Aviation management, Military Science, 20+ years experience

Engr. Mr. Wen Xiaoqin
Drone Design

Avion Aerospace Group
Qualification: B.Eng Aeronautical Engineering (Aircraft Design)
, 8+ years of UAV design experience

MD. Ali Akbar (BABU)
Branch Manager, Thakurgaon

Qualification: Hons', Masters' 12+ year management experience

Warren Wilbert Karugaba
Country Manager, Tanzania

Qualification: B.Eng Aircraft Manufacturing Engineering,

Solutions

Electric aircraft Solution

We are an official market developer
and sales representative of the
following aircrafts of CHINA

- **RX1E-A, 2 SEAT (Fixed-wing light sports electric aircraft)**
- **RX4E, 4 SEAT (Fixed-wing electric aircraft)**
- **Electric Sea Plane**
- **Electric Glider**
- **Electric Helicopter**

Electric aircraft

CUSTOMIZED AIRCRAFT

We are an official AGENT of Spanish aircraft manufacturer for customized low cost and affordable 2 seat Light Sport Aircraft

We can provide LSA or UL category aircraft design & production solution. Tell us more about your requirement

info@avionaerospace.com

Light Sport Aircraft

AirTaxi solution

We are official overseas dealer,
distributor of the following AirTaxi

AVION-SKYTECH X1 Your Own Personal eVTOL Aircraft

We can provide new design &
production solution. Tell us more about
your requirement
info@avionaerospace.com

**Check our UAV product that we can
sell-**
<http://avionaerospace.com/product/>

WEIGHT (EXCLUDING BATTERY)

80 kg

FLIGHT TIME (FULL CHARGE)

20-40 min

TOP SPEED

80 km/h

FLIGHT RADIUS

30 km

Production Process

1 Weld Aerospace Frame

2 Color & Finish

3 Component Installation

4 Systems Integration

5 Flight Testing

6 Crate & Ship

Drone solution

We are official overseas dealer,
distributor of the following industrial
drones

- Industrial drone
- Police drone
- SWAT drone
- Inspection drone
- Agriculture drone
- Fire fighting and rescue drone
- Patrolling drone (Maritime,
Border, ISR)
- 3D Mapping & Mining UAV

We can provide new design &
production solution. Tell us more about
your requirement

Education

We are official recruiting agent for the following courses for our partner institutes

- Aeronautical Engineering, aviation and airport management, aviation business
- Pilot training, PPL CPL ATPL
- Drone pilot training, multi rotor UAV , fixed wing UAV, VLOS, BVLOS

We can provide UAV or drone pilot training academy set up .
Tell us more about your requirement

info@avionaerospace.com

UAV/DRONE TRAINING

Rating: Multirotor UAV, MTOM < 5kg

Course Duration: 1 week (15hrs Theory, 5hrs Flight = 20hrs)

Course Content:

Ground Class- a) Theory b) Simulator

Flight Training (Visual Line of sight with autonomous operation)

- We have CAAC and AOPA Licensed Professional UAV Pilots&instructor
- We have Ex Military instructor.
- More than 160+ UAV pilots are trained
- Trained, 15+ Govt. organizations
